INTRODUCTION

Founded in 1840, Sandalford Wines is one of Western Australia's oldest and largest privately-owned wineries.

Behind the global brand of Sandalford Wines lies a rich and fascinating history. The genesis of our establishing Estate at Caversham, Swan Valley, coincided with both European settlement in the burgeoning colony of Perth, and the birth of Western Australia's world-famous wine industry.

Queen Victoria granted John Septimus Roe, Western Australia's first Surveyor General, 4,000 acres of land on the riverbanks at West Swan in honour of his 57 years of service to the Empire. He named the property Sandalford after a priory in Berkshire, England - his original home. The Roe family developed a second vineyard in Margaret River in 1970.

In 1990, the Prendiville family took over the well-established Margaret River and Swan Valley operations. Peter, Debra Prendiville and their family, together with Sandalford's management and staff, warmly welcome you to their Estate.

Sandalford Wines Swan Valley's wine tourism experiences were established in 1998 with the opening of the original Sandalford Restaurant. Since then, wine tastings, winery tours and nine function venues have been added to the Estate, all catering for tourism, local and corporate visitors.

Additionally, since 2002, we've hosted more than 65 major concert events each catering for up to 16,000 guests here in the vineyard. Past acts have included *Sting, Santana, Leonard Cohen, The Jacksons, Neil Diamond, Michael Bublé, Tom Jones, Cliff Richard, John Farnham and Mariah Carey.*

The finesse and creativity of our chefs and kitchen brigade, alongside our dedicated front of house team, won Sandalford significant accolades such as the Savour Australia Hostplus Awards for Excellence: *Best Tourism Restaurant and Best Restaurant within a Winery.*

Our Estate Room was key in securing Sandalford the *Brides Choice Award for Winery Wedding Venue*, and Sandalford Restaurant has regularly received Gold Plate Awards for *Restaurant within a Winery, Modern Australian Dining* plus the *Prix D'Honneur* for winning Tourism Restaurant for three consecutive years.

These awards added to the list of more than 80 major state and national wine tourism prizes awarded to Sandalford Wines in the last 10 years, including Gold at the *2017 Australian Tourism Awards for Best Tourism Winery* in this country.

In early 2021, we finished a complete enhancement and renewal program across our restaurant, front of house and food + beverage operations. We welcomed new teams, new talent and we totally rebuilt our restaurant's interior and exterior.

We now embrace the culinary delights of Executive Chef Alan Spagnolo in our all new Sandalford Restaurant and Bar. The menus celebrate a marriage of modern Australian and contemporary European cuisine where the fulsome flavour of WA's phenomenal seasonal produce is enhanced by hand-rolled pasta, wood-fired pizza and artisanal products.

Our bustling, open kitchen creates delectable, healthy dishes destined to delight the most discerning diner, while the restaurant's tranquil, leafy ambience issues an invitation to relax and indulge all the senses.

We strive to cater for all dietary requirements of our valued guests. Meals marked (N) contain nuts, meals marked (GF)/(VG) are gluten free/vegetarian, meals marked with (VE/VOA) are vegan/vegan option available.

SANDALFORD 1840 RANGE

These wines pay homage to the history of Sandalford. 1840 is the year of our foundation with JS Roe, the first Surveyor General of Perth, bequeathed 4000 acres from Queen Victoria, at what is now our Caversham Estate. The 1840 wines are sourced exclusively from this Caversham Estate, using grapes from old vines, planted in the mid-1960's.

The original sketch map of the Swan River Settlement showing these land allocations was the inspiration for the design of this new label.
