SANDALFORD ESTATE CHEESE BOARD

(50 grams each, served with seasonal dried and glazed fruits and locally baked crispbread)

‘Gorgonzola Dolce’ (Italy), meaning “sweet” in Italian. A soft blue, delicate and buttery, made from cow’s milk, aged for a minimum 45 days, with delicate complexity and intense flavour.

‘Goat Milk’ cave aged cheddar (England) mild, savoury, firm cheese which is similar to a traditional cheddar in texture but with a distinctive yet subtle “goat” flavour. The cave environment adds yet another dimension to the ageing process. The year round constant 12 degrees centigrade and humidity bestows the cheese with the added benefit of rich, earthy and nutty flavours with caramel top notes.

‘Pecorino il Predicatore’ (Italy) Tuscany sheep’s milk hard cooked. A unique cheese made by one of the great Tuscan pecorino producing families. Pecorino il Predicatore translates to "the Preacher of Pecorino". It's made with high-quality, fresh Maremma sheep's milk and pressed with Tuscan grapes, giving its distinctive purple rind. The wine marc brings both fruity and earthy notes to the cheese, while the Maremma sheep's milk gives it a delicious creaminess.
