INTRODUCTION

Founded in 1840, Sandalford Wines is one of Western Australia's oldest and largest privately-owned wineries.

Behind the global brand of Sandalford Wines lies a rich and fascinating history. The genesis of our establishing Estate at Caversham in the Swan Valley coincided with both European settlement in the burgeoning colony of Perth, and the birth of Western Australia's world-famous wine industry.

Queen Victoria granted John Septimus Roe, Western Australia's first Surveyor General, 4,000 acres of land on the riverbanks at West Swan in honor of his 57 years of service to the Empire. He named the property Sandalford after a priory in Berkshire, England - his original home.

Among J.S. Roe's significant legacy was the setting aside of Kings Park and laying out the towns of Perth and Fremantle.

The Roe family developed a second vineyard in Margaret River in 1970.

In 1990, the Prendiville family took over the well-established Margaret River and Swan Valley operations.

Sandalford Wines Swan Valley became a significant regional tourism attraction in 1998, opening this Restaurant and offering wine tastings and winery tours. Since then, nine separate venues have been added to the Estate, catering for tourism, local and corporate visitors.

Since 2002 there have been more than 70 major concert events here in the vineyard, catering for up to 16,000 guests. Artists have included Sting, Santana, Leonard Cohen, The Jacksons, Neil Diamond, Michael Bubl , Tom Jones, Cliff Richard, John Farnham and Mariah Carey.

Owners Peter and Debra Prendiville and their family, along with Sandalford's management and staff, warmly welcome you to the Estate.

We invite you to embrace the culinary delights of our seasonal dining menus. Sandalford Restaurant and Bar celebrates a marriage of modern Australian and contemporary European cuisine where the fulsome flavour of Western Australia's phenomenal seasonal produce is enhanced by hand-rolled pasta, wood-fired pizza and artisanal products. Our bustling, open kitchen creates delectable, healthy dishes destined to delight the most discerning diner, while the restaurant's tranquil, leafy ambience issues an invitation to relax and indulge all the senses.

Sandalford has received more than 80 major state and national wine tourism awards in the last decade, including winning the Australian Tourism Award for Best Tourism Winery in this country.

We strive to cater for all dietary requirements of our valued guests. Meals marked (N) contain nuts, meals marked (GF)/(VG) are gluten free/vegetarian, meals marked with (VE/VOA) are vegan/vegan option available.

SANDALFORD 1840 RANGE – SWAN VALLEY

These wines pay homage to the history of Sandalford. 1840 is the year of our foundation with JS Roe, the first Surveyor General of Perth, bequeathed 4000 acres from Queen Victoria, at what is now our Caversham Estate. The 1840 wines are sourced exclusively from this Caversham Estate, using grapes from old vines, planted in the mid-1960's.

The original sketch map of the Swan River Settlement showing these land allocations was the inspiration for the design of this new label.
