INTRODUCTION

Founded in 1840, Sandalford Wines is one of Western Australia's oldest and largest privately-owned wineries.

Behind the global brand of Sandalford Wines lies a rich and fascinating history. The genesis of our establishing Estate at Caversham in the Swan Valley coincided with both European settlement in the burgeoning colony of Perth, and the birth of Western Australia's world-famous wine industry.

Queen Victoria granted John Septimus Roe, Western Australia's first Surveyor General, 4,000 acres of land on the river banks at West Swan in honor of his 57 years of service to the Empire.

He named the property Sandalford after a priory in Berkshire, England - his original home.

Among J.S. Roe's significant legacy was the setting aside of Kings Park, and laying out the towns of Perth and Fremantle.

The Roe family developed a second vineyard in Margaret River in 1970.

In 1991, the Prendiville family took over the well-established Margaret River and Swan Valley operations.

Sandalford Wines, Swan Valley Wine Tourism offerings were established in 1998, with the opening of this Restaurant, as well as offering wine tastings and winery tours. Since then, nine function venues have been added to the Estate, which cater for all tourism, local and corporate visitors.

In addition to this, since 2002, there have been more than 60 major concert events each catering for up to 16,000 people per event, which have taken place here in the vineyard. Past acts have included Neil Diamond, Michael Bubl , Tom Jones, Cliff Richard and Mariah Carey among others.

Today, Sandalford Wines is owned by husband and wife team Peter and Debra Prendiville and their family, and they, along with Sandalford's Management team and staff, warmly welcome you to the Estate.

In August 2019, the finesse and creativity of Executive Chef Andrew Mann and our Kitchen brigade alongside our dedicated front of house team won Sandalford two significant accolades at the 2019 Savour Australia Hostplus Awards for Excellence: Best Tourism Restaurant and Best Restaurant within a Winery.

These awards added to the list of more than 72 major State and National Wine Tourism prizes awarded to the business in the last 10 years, including Gold at the 2017 Australian Tourism awards for Best Wine Tourism operator in this country.

AT SANDALFORD WINES, SWAN VALLEY, we are very proud to utilize premium local produce and ingredients. Our Kitchen Team go to great lengths to ensure fresh ingredients are prepared creatively with the best of what's on the door step of the winery...

Our menu encompasses the best of these components, such as Whitebait from Busselton, Goat's Cheese from Gidgegannup, Prawns from Exmouth, Barramundi from Cone Bay, Venison from Margaret River, Pork from Linley Valley, Green Beans from Kununurra, Broccolini from Capel and Sandalwood Nuts from York.

SANDALFORD 1840 RANGE

These wines pay homage to the history of Sandalford. 1840 is the year of our foundation with JS Roe, the first Surveyor General of Perth, bequeathed 4000 acres from Queen Victoria, at what is now our Caversham Estate. The 1840 wines are sourced exclusively from this Caversham Estate, using grapes from old vines, planted in the mid-1960's.

The original sketch map of the Swan River Settlement showing these land allocations was the inspiration for the design of this new label.
