INTRODUCTION

Founded in 1840, Sandalford Wines is one of Western Australia's oldest and largest privately-owned wineries.

Behind the global brand of Sandalford Wines lies a rich and fascinating history. The genesis of our establishing Estate at Caversham in the Swan Valley coincided with both European settlement in the burgeoning colony of Perth, and the birth of Western Australia's world-famous wine industry.

Queen Victoria granted John Septimus Roe, Western Australia's first Surveyor General, 4,000 acres of land on the riverbanks at West Swan in honor of his 57 years of service to the Empire. He named the property Sandalford after a priory in Berkshire, England - his original home.

Among J.S. Roe's significant legacy was the setting aside of Kings Park and laying out the towns of Perth and Fremantle.

The Roe family developed a second vineyard in Margaret River in 1970.

In 1990, the Prendiville family took over the well-established Margaret River and Swan Valley operations.

Sandalford Wines, Swan Valley Wine Tourism offerings were established in 1998, with the opening of this Restaurant, as well as offering wine tastings and winery tours. Since then, nine function venues have been added to the Estate, which cater for all tourism, local and corporate visitors.

In addition to this, since 2002, there have been more than 65 major concert events each catering for up to 16,000 people taking place here in the vineyard. Past acts have included Sting, Santana, Leonard Cohen, The Jacksons, Neil Diamond, Michael Bublé, Tom Jones, Cliff Richard, John Farnham and Mariah Carey. Since 1990 Sandalford Wines has been owned by husband-and-wife team Peter and Debra Prendiville and their family, and they, along with Sandalford's Management team and staff, warmly welcome you to the Estate.

In 2021 embrace the culinary delights of Executive Chef Alan Spagnolo for our new gorgeous dining menu. The Sandalford Restaurant and Bar celebrates a marriage of modern Australian and contemporary European cuisine where the fulsome flavour of Western Australia's phenomenal seasonal produce is enhanced by hand-rolled pasta, wood-fired pizza and artisanal products. Our bustling, open kitchen creates delectable, healthy dishes destined to delight the most discerning diner, while the restaurant's tranquil, leafy ambience issues an invitation to relax and indulge all the senses.

At the 2019 Gold Plate Awards, Sandalford Restaurant won Restaurant within a Winery, Modern Australian Dining and was bestowed the Prix D'Honneur award for winning the Tourism Restaurant category for three consecutive years.

Sandalford is a recipient of more than 80 major state and national wine tourism prizes awarded to the business in the last 10 years, including Gold at the 2017 Australian Tourism Awards for Best Tourism Winery in this country.

SANDALFORD 1840 RANGE – SWAN VALLEY

These wines pay homage to the history of Sandalford. 1840 is the year of our foundation with JS Roe, the first Surveyor General of Perth, bequeathed 4000 acres from Queen Victoria, at what is now our Caversham Estate. The 1840 wines are sourced exclusively from this Caversham Estate, using grapes from old vines, planted in the mid-1960's.

The original sketch map of the Swan River Settlement showing these land allocations was the inspiration for the design of this new label.
